# GET THE MOST FOR YOUR GOLF EVENT!

Room for up to 20 sponsors!

## WHAT IS A GOLF SCRAMBLE?

A scramble all team members tee off on each hole and then decide which tee shot they like the best and mark the spot with a tee or ball marker. The other team members pick up their balls and place them within near the shot that was selected. The scramble format is the most popular as it's the least intimidating and easiest-to-keep-score option. Scrambles can be played by 2- 4 person teams with all team members hitting their own ball. After each shot, the team decides which shot is the best one. Everyone shoots again from that spot, and so on, until a ball is in the hole.

## WHAT IS A SCRAMBLE PIC?

The Scramble Pic helps pick up your golf balls without having to get out of the cart which greatly accelerates the pace of play. With its powerful magnets, it attaches to the frame of most golf carts.

## WHAT CAN IT DO FOR MY EVENT?

The Scramble Pic is a money generating accessory because it is large enough to display multiple messages and brands. Consider the Scramble Pic as a billboard that has space for 10-20 logos; sell locations to sponsors and raise more for charity events. It allows advertisers the opportunity to have hours of logo exposure at the tournament and the rounds to follow. Offer each location to sponsor and raise even more for charity events. Guaranteed logo exposure for the sponsors, a unique reusable keepsake that can be used for years to come.

## Which Golf Tee is Right for You?

Most tees sold are made of wood (PTW), however there is a movement toward more durable performance tees. It's common to break a wood tee every few holes. Flytee tees (PTE/PTF) cost more but they last a lot longer, thus providing increased exposure. Flytee tees offer less resistance at impact for more distance. Similar to wood, the bamboo tees (PTB) are a great alternative. Though slightly less durable, they are a more budget friendly option. Price Per Thousand.
